Ajit Kokkat, M.D.

Nicole Monahan, APRN

Due to the recent outbreak of the COVID-19 virus we are taking extra precautionary measures within the office to limit any potential exposure to the virus.

We ask that anyone that answers “YES” to any of the following situations within 30 days of your appointment/procedure to call the office to reschedule:

- Have you experienced or had exposure to anyone with the following:
 - *Cough, fever, chills, respiratory complications*
- Have you had exposure with anyone who tested positive with COVID-19
- Have you travelled internationally?

If you answered “NO” to the above scenarios, we will be happy to continue with your scheduled appointments. We understand everyone is being cautious and appointments will be rebooked without hesitation if you are not comfortable coming into the office at this time.

Thank you,
